

SUPERVISOR NETWORK COMMUNICATIONS

ST. JOHN'S – CLOSING DATE: MARCH 8, 2021

REFERENCE NUMBER: NPJP-2021-32589

Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuing advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with an excellent work ethic, and effective interpersonal and analytical skills.

As a valued member of our Network and Communications team, you will be responsible for the successful merger of our substation and corporate network communications teams, as well as the management of skilled technology staff. You will provide oversight on succession planning for the group and manage projects, daily operations, job scheduling and budgets. You will coordinate and communicate with other departments to ensure secure communications are implemented throughout the Company's networks according to modern cybersecurity standards. Your team will be responsible for the design, modeling, development and testing of corporate and substation communication systems related to firewalls, network switching, VPN, voice, data, radio, SCADA and teleprotection channels.

Your qualifications include a university degree or three-year college diploma with a concentration in networking and communications, supplemented by a minimum of eight years related experience. In this role, you will be required to have a solid technical background with strong training and coaching skills. You must demonstrate proficiency in supervising a team and knowledge of current firewall, networking and substation communication technologies. You have demonstrated ability in leading or managing multiple initiatives, projects and teams. You must have the ability to communicate results in an effective and organized manner. Inter-provincial travel will be required.

At Newfoundland Power, we accept and celebrate our differences. We are committed to fostering an inclusive and diverse workplace which reflects the communities we serve. A place where everybody is able to bring their whole selves to work and reach their full potential. We strive to ensure each team member feels valued, respected and supported.

We encourage applications from diverse candidates and will provide support to applicants during the recruitment process. If you require accommodation for any reason during the interview process, please let us know your needs which will be kept in confidence.

Apply online at newfoundlandpower.com/en/About/Careers/Career-Opportunities. We thank all applicants for their interest but only those selected for an interview will be contacted.

WHENEVER. WHEREVER.
We'll be there.
