

SENIOR FINANCIAL ANALYST

ST. JOHN'S – CLOSING DATE: MARCH 8, 2021

REFERENCE NUMBER: NPJP-2021-32767

Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuing advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with an excellent work ethic, and effective interpersonal and analytical skills.

As a valued member of our takeCHARGE team, you will play an integral role in the development, implementation and evaluation of energy programs. You will play a key role in the development and management of complex financial models, including net present value analyses and program cost effectiveness. You will also be responsible for facilitating the efficient and effective management of budgets, forecasts and expenses. This includes preparing reports to monitor financial performance, analyzing results and explaining variances. As evaluation lead, you will analyze the effectiveness of programs, processes, tools and systems, while also overseeing the internal and external evaluation of programs, including working with a third-party consultant. Participating in a wide range of outreach and community activities to promote electrification and energy conservation is also required.

Your qualifications include a Bachelor's degree in Business with a concentration in accounting or finance, supplemented by a minimum of four years related experience. You must demonstrate a good working knowledge of Microsoft office, especially Microsoft excel. Previous experience in energy conservation and knowledge of electrification such as, electric vehicles are considered assets. You have strong analytical and numerical ability, and an investigative mind. You are a self-starter who takes initiative and works independently. Your ability to learn and understand a diverse range of topics is essential, as is your ability to manage multiple priorities under tight deadlines in an often high-pressure environment.

At Newfoundland Power, we accept and celebrate our differences. We are committed to fostering an inclusive and diverse workplace which reflects the communities we serve. A place where everybody is able to bring their whole selves to work and reach their full potential. We strive to ensure each team member feels valued, respected and supported.

We encourage applications from diverse candidates and will provide support to applicants during the recruitment process. If you require accommodation for any reason during the interview process, please let us know your needs which will be kept in confidence.

Apply online at newfoundlandpower.com/en/About/Careers/Career-Opportunities.

We thank all applicants for their interest but only those selected for an interview will be contacted.

WHENEVER. WHEREVER.
We'll be there.
